

LAN (For Laboratory):

Footnote:

¹ Accomplish a **new General Sample Collection Form** for each **new barangay**.

² Put a **check (✓)** if the Sample ID has any of the sample types.

³ Specify **exact species, as needed** (e.g., If Avian species, put "Chicken" or "Duck").

⁴ Specify animal **breed, as needed** (e.g., If Canine species, put "Labrador Retriever").
